

General Privacy Statement

Effective date: October, 2026

When you use PhotoGuard: Cleaner Vault (“App” or “Service”), we receive data that may directly or indirectly identify you (“personal data”). This General Privacy Statement (this “Statement”) governs and describes how Infera Limited and its affiliates (“we,” “us” or “our”) may collect, use, share and disclose personal data that we obtain through or from individuals that visit our App.

Contact Information

If you have any questions or concerns regarding this Statement or our privacy practices, including the processing of your personal data, or if you believe your privacy rights have been violated, please contact us at brianng@inferaltd.com.

Personal Data We Collect

In general, we may collect the following categories of data:

- IP addresses, your name and email address.
- Activity Information directly related to your use of the App, includes contact list and or photos.
- Device information includes device types and settings, device identifiers (such as IDFA, IDFV for Android, GAID for IOS), browser types, mobile, wireless, operating system versions, another network information (such as internet service provider name, carrier name and signal strength), and application version numbers.
- During the subscription period you have the right to upload your files such as videos, pictures and or photos to our cloud and the files you upload will be stored in our cloud storage services providers (Cloudflare) if you subscribe our cloud storage service. In this case, we do not proactively collect this types of data.

- usage data includes the pages of our App you visit, the time and date of your visit, the time spent on those pages, unique device identifiers another diagnostic data.

Collecting and Processing Purposes

We may use the data we collect in the following ways:

- To enable you to access and use our App and Service.
- To notify you about changes to our App, Service or legal terms.
- To enhance the experience of using our App and Service.
- To provide you with information or Services that you request from us.
- To improve and develop our Service and features.
- To carry out our obligations and enforce our rights that arise from any contracts entered into between you and us.
- To maintain the integrity and security of our App.
- To comply with any legal or regulatory obligations.
- For any other purposes with your consent.

Sharing of Personal Data

We may share your personal data with certain third-parties. This sharing is based on our relationship with those third-parties, your consent, or legal or contractual obligations that require us to share such data. We may share personal data with the following recipients:

- With our subsidiaries and affiliates in the operation of our business because our subsidiaries and affiliates may provide you Service under our contracts or other functions.
- With third-parties (such as cloud storage service provider Cloudflare) that offer sales, consulting, support, and technical services for our Service.
- With authorized law enforcement, regulators, courts, or other public authorities in

response to lawful requests or to protect our rights and safety.

Retention

We may retain your personal information for a period of time consistent with the original purpose of collection. For instance, we may retain the data you upload to Cloudfalre during the time you have subscribed the cloud storage service. We also may retain your personal data during the period of time needed for us to pursue our legitimate business interests, conduct audits, comply with our legal obligations, resolve disputes, and enforce our agreements.

Security

We will maintain appropriate technical and organizational security measures designed to protect your personal information from accidental loss, unauthorized use, alteration, or disclosure.

Children

Our Services are not intended for children (defined as anyone under 13 years old or the age in their country required to consent to the processing of their personal information). No one under age 13 years old may provide any personal data to or on the App and Services you must also be old enough to consent to the processing of your personal data in your country to use our App and Services. We do not knowingly collect personal data from children. If you are under 13 years old or you are not old enough to consent to the processing of your personal data in your country, do not use or provide any data on our App or Services. If you believe we might have any information from or about a child, please contact us using the information in the "Contact Information" section above.

Your Rights and Choices

Depending on your residence location, you may be able to exercise the following rights in relation to the personal data about you that we have collected:

- The right to access the data collected about you.
- The right to receive your collected personal data in a structured, commonly used, and machine-readable format.
- The right to erase or limit the processing of your personal data under specific conditions.
- The right to rectify or update inaccurate or incomplete personal data under certain circumstances.
- The right to object to the processing of your personal data, as allowed by applicable law
- The right to withdraw consent, where processing is based on your consent.

Third Party Links

From time to time, we may include links to other websites whose privacy practices may differ from ours. If you submit personal data to any of those sites, your data will be governed by such third-party's privacy policies, not ours. Please carefully read the privacy policy of any website you visit. Please aware that we are not responsible for such third-party's privacy practices.

Modifications

We reserve the right to modify this Statement at any time. It is our policy to post any changes we make to this Statement on this page and the changes will be effective upon our publication of the updated Privacy Statement. Your continued use of the App and the Services expressly indicates your acceptance of our then-current Privacy Statement and your consent to our collection of personal data in accordance with the then-current Privacy Statement.
